

## DIY PROTEST DRUM!

### What you need (included in your kit)

- Tupperware
- Balloon
- Rubber band
- Scissors
- Chopsticks

### What to do:

1. Cut the skinny part off of the balloon with scissors

2. Take the round top part of the balloon and stretch it over the top of the tupperware

3. Put a rubber band around the top of the Tupperware to hold the balloon in place

4. Use the chopsticks as drumsticks
5. Optional: decorate your drum with markers or stickers
