

Wish Flags

Materials: 3 Fabric Markers and 1 piece of fabric.

This week we are going to learn about racism, indigenous sovereignty, prisons, and other current event topics.

Your wish flag is an opportunity to imagine a world that is different, something that you hope to change by working with your community, or good feelings you want to send out into the world.

Feel free to draw a picture, write something meaningful, or whatever comes to you in the moment.

Your wish flag will be collected at the end of camp to be strung with the wish flags from other campers.

Examples of wish flags from 2020 campers!
